Sir,

In continuation of my letter of even number dated 17-11-1941, in the matter of entrusting the work relating to the collection of statistics of births and deaths to the Sanitary Inspector in Mulbagal Municipality, I have the honour to state that the President, Mulbagal Municipality reports that the Bill-Collector was entrusted with this work, from 1st July last that he was attending to all the duties connected with the work upto the date on which the same was entrusted to the Sanitary Inspector and that the Bill-Collector might be allowed to draw the allowance of Rs 15/- for the period.

As the official is reported to have attended to the compilation of the statistics relating to births and deaths from 1-7-1941 and as the President recommends that he may also be given the same allowance, I recommend that sanction of Government may kindly be obtained to disburse the allowance to the Bill-Collector for 1-7-1941.
